PROFILE

I'm an enthusiastic, responsible and hard working IT person. Right now I'm a results-driven and motivated student in achieving the main goals by doing Cyber Security Study course at Ternopil National Technical University named after Ivan Pulyu. I also finished Computer Science Study course at Technical college of Ternopil Ivan Puluj National University. Being worked for different projects and done science courses helped me to adopt to the changes quickly and made me a mature team worker. I am able to work well both in a team environment as well as using own initiative. I am able to work well under pressure and adhere to strict deadlines.
